**How Your Gift Makes an Impact!**

UFV takes pride in being a nurturing environment that puts teaching and learning first. Working at UFV means being part of a culture of caring – of giving back and putting our students first.

100% of funds raised through this campaign go directly to the fund of your choice. When you contribute:

- \$5 to \$20 per pay period, to the Student Emergency Fund, you can help a student stay in school.
- \$20 or more per pay period, you will fund awards and department necessities (ie. library acquisitions, technology and equipment upgrades), reducing the cost of education for students with limited means.
- \$45 or more per pay period, you are a leadership donor and will receive a special invitation to a donor recognition event at Friesen House.

**Donate in three quick steps:**

1. Provide your personal information;
2. Tell us how much you want to give;
3. Donate online or use this form.

**Become a Lifesaver. Give to the:**

1. **UFV Student Emergency Fund** – Provides financial support to students experiencing serious economic difficulties due to sudden and unexpected situations.
2. **Faculty and Staff Bursary** – Supports students in financial need.
3. **Other** – Support your faculty, an existing award, or help us purchase equipment and library resources.

By signing up for the payroll deduction plan you automatically direct a portion of your bi-weekly pay to support the campaign.

**BE A LIFESAVER**

*Help a UFV student facing tough choices*

*When you give, you make a difference in the lives of our students. THANK YOU!*

# UFV students of limited means face some tough choices ...

- Rent *or* tuition
- Food *or* books
- Childcare *or* bus fare
- Electricity *or* classes

Remember that time in your life when you struggled to get by? You had to make some difficult decisions too. What did you sacrifice? Was it good nutrition? Dental care? Insurance? Clothing for your children?

Poverty among our students is real. Many of us have seen it in our day-to-day duties and know the challenges students overcome in order to follow their dream of a UFV education. Financial need, albeit temporary, should not be a barrier to any student with the desire to succeed. We have the means to assist those in need.

Bursaries bridge the gap between the desire to learn and the ability to pay. They can make a big difference for many students.

Now you can help others in that very situation. For the cost of a pizza every two weeks, you can help UFV students in need and make a real difference — one that's felt every day.

Sign up for our easy payroll deduction plan and you will help students across campuses all year long. Help them build a better life for their families and our community.

### Early Bird Incentive!

The first 10 new donations to the campaign, before Friday, September 21, will win an early bird prize!

### You Can Make a Difference!

Since the launch of the Be a Lifesaver campaign in 2009, faculty and staff have contributed close to \$43,000 - helping 92 students with vouchers, emergency funds and bursaries. The students receiving vouchers and support are positively overwhelmed and inspired by the generosity of our faculty and staff.

*"I got involved in this campaign because I know staff already reach into their pockets on occasion to help students who are struggling financially. As the poet Rumi said: 'Be a lamp, or a lifeboat, or a ladder. Help someone's soul heal.' I think UFV successfully provides a lamp and a ladder, but we also need to provide a lifeboat for students who need our help. This campaign gives everyone the chance to help."*

— Eleanor Busse Klassen, UFV Executive Assistant to VP of Students, employee since 1995

*"I've had the opportunity to meet with many of our faculty and staff donors and I am inspired by their generosity, entrepreneurial spirit and dedication to our students. While 29% of the funds raised through faculty and staff go to Student Emergency Funds and Faculty and Staff Bursary, some donors also give to their department and specific projects that positively impact our student's learning experience."*

*Thank you to all of our faculty and staff donors. Your generous contributions speak volumes to your passion, commitment and support of our students."*

— Victoria Newstead, Development Officer, Annual Giving (faculty and staff giving)

“ After being hit by a drunk driver, I now have a disability, and need to somehow support my two disabled children AND finance my education in spite of living well below the poverty line! I'm looking forward to working with other families dealing with disabilities. And I could never have done any of this without the generosity of donors who support UFV's bursaries! ”

— Deborah P.  
2<sup>nd</sup> year UFV student and single mother (2009)

“ If I hadn't received bursaries every semester, I could not continue school. As it is, I have had to collect food from the local food bank. Thank you to all those who understand how important it is to support students like me. ”

— Jacob F.  
3<sup>rd</sup> year UFV Kinesiology student (2009)
