

**The UFV Alumni Association Celebrates Excellence in UFV
Graduates with the Distinguished Alumni Awards**

The Distinguished Alumni Awards program is an opportunity to honour the extraordinary contributions that UFV graduates make to their communities. These awards are presented to alumni of UFV who have achieved outstanding distinction in career, educational achievement, and/or community service. The recognition of accomplished alumni promotes the excellence of the University of the Fraser Valley, its graduates and the UFV Alumni Association. Their accomplishments serve as a terrific example for all who follow and is a testimony to the educational foundation provided to them by UFV.

We invite you to nominate alumni you feel are deserving of these prestigious nonmonetary awards. Please fill out the appropriate enclosed nomination package and return to the UFV Alumni Engagement Office by May 1, 2015. The chosen recipients will be honoured at the UFV Awards Ceremony in the Fall of 2015.

Thank you for taking the time to nominate a deserving alumnus. Please visit our website for more information on the UFV Alumni Association and the Distinguished Alumni Awards program at www.ufvalumni.ca

Sincerely,
